BEST PLACES TO WORK IN WESTCHESTER

What is this?

The Best Places to Work in Westchester is a survey and awards program that honors employers in Westchester County that are making their workplaces great. This is a project of *914 Inc.* and *Westchester Magazine* in partnership with Workforce Research Group.

What's the process like?

A two-part survey is conducted to get a thorough assessment of each employer.

- Part 1 consists of an Employer Assessment where we capture details about policies and practices.
- Part 2 consists of the Employee Feedback Survey where we capture employees' opinions about their workplace experience.

Employee surveys can be conducted via online or paper survey methodologies.

Both the employer and employee data sets are combined to determine the best workplaces.

Who is eligible?

Organizations must meet the following criteria:

- Have at least 15 full- or part-time permanent employees working in Westchester County, NY
- Have a physical operation in Westchester County, NY
- Be a publicly or privately held organization
- Be a for-profit, not-for-profit, or a government organization
- Have been in business for at least one year, at the program registration deadline

Are reports available for purchase?

All collected employee feedback will be presented in an online interactive reporting tool called the Employee Feedback Data Dashboard. The dashboard will allow each employer to view data by graphs, charts and tables. Plus, standard downloadable reports containing responses by demographic, employee comments and benchmarks are also available. This data is available for purchase for as little as \$930 and discounts are available if pre-purchased.

Recognition:

Employers will find out if they have made the list soon after the surveys are completed. Those who make the best list will be honored in a special publication produced by *914 Inc.* in October 2026. The identities of organizations not making the list will be kept confidential.
